THE EVOLUTION THAT NEVER STOPS TO SATISFY YOUR NEEDS

CUBE 2 IS HERE!

The **2D laser scanner** for automatic and lightning-fast measurements of interior and exterior space

- ◻ **3200 POINTS CAPTURED IN JUST 25 SECONDS**
- ◻ **MERGING MULTIPLE SCANS INTO A SINGLE .DXF FILE**
- ◻ **REAL TIME RESULT VIEWING AND DATA TRANSFER**
- ◻ **PHOTO DOCUMENTATION TO COMPLETE YOUR WORK**
- ◻ **FREE APP, NO SUBSCRIPTION FEES!**

MAKE YOUR MEASUREMENTS DIGITAL, RELIABLE AND FASTER

Two measurement technologies and different operating modes which make it perfect for any situation:

AUTOMATIC - simply press play to have 3200 measurements immediately on your smartphone

MANUAL - acquire the points you are interested in via the App's joystick, easily avoiding all obstacles

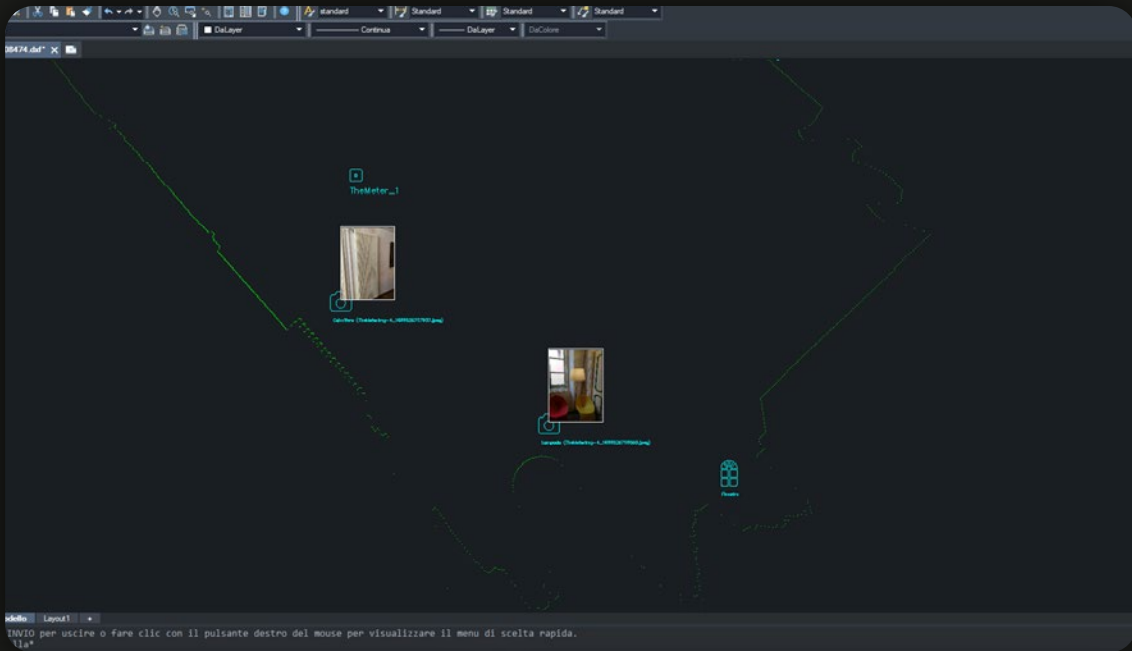

RANGEFINDER - take the single measures you need

REAL TIME - continuous measurements without need to press anything

MAKE YOUR .DXF FILE UNIQUE AND COMPLETE!

Add markers and customise your survey by mapping it with photographic documentation

DESIGN AWARDED WITH
HONOURABLE MENTION AT THE
XXVII ADI COMPASSO D'ORO 2022
